## 01 COMPANY INTRODUCTION

### About us:

Kundan Edifice is an original design manufacturer ("ODM"), providing end to end solutions in LED Strip Lighting sector; they design, develop, manufacture and supply products to customers who then, further distribute them under their brands. The company also provides custom products.

Distinctions: KEL is in strong position to lead the domestic production, reducing dependency on Chinese suppliers and strengthening the domestic supply chain.

Manufacturing Capacity- 20 crores Meter Per Annum (MTPA) with average 80-84% capacity utilization.

### Business Verticals:

- **ODM (Original Design Manufacturer)**- Design the products which are then marketed and branded by the customers. It includes product road-mapping, opportunity mapping, and consulting. Suitable for those clients who doesn't has specific defined product or design.
- **OEM (Original Equipment Manufacturer)**- Develops OEM designs received from customers and converts such designs into deliverable products by improving the designs, recommending suitable raw materials and testing of trial products.

2023  
Got listed on National Stock Exchange, with clear view of shifting the trends away from reliance on Chinese imports.
